Dear Sponsor,

Help us celebrate 102 years of shuffleboard in Florida!

The Clearwater Shuffleboard Club is now offering sponsorships for the 2015-2016 season, Oct. 01, 2015 to Sept. 30, 2016. We offer businesses, organizations, and individual donors the opportunity to place a 24"x60" banner, prominently displayed above our courts, where it will be viewed by all shufflers and spectators.

The Clearwater Shuffleboard Club is the premier shuffleboard facility in the greater Tampa Bay area. It offers twenty six indoor courts and thirteen outdoor courts. We lease the facility from the City of Clearwater, and members must cover all expenses.

We expect to host about seventy, local, district and state tournaments, with about three thousand entrants. Many of our shufflers travel great distances to play at our facility. In the past we have hosted the East West Games, with shufflers and families from as far away as California, staying at local hotels and enjoying the shopping and restaurants the Clearwater area has to offer.

In Oct 2015 we will be hosting the International Shuffleboard Association World Singles Championship. Up to 200 shufflers and families from around the world are expected with TV and print media coverage.

The Club offers recreational play and free lessons to members and non-members. We have hosted local non-profit organizations for physically and emotionally challenged citizens and have sponsored blood drives. This summer we hope to again host youth camps.

We also offer sponsorships for individual tournaments. The sponsor can give a short presentation to our shufflers, set up displays, and hand out promotional material.

We look forward to your support of shuffleboard in the Tampa Bay area.
